EDGARTOWN SAMPLER

AN ISLAND IS A WORLD APART

We are most fortunate to have with-in easy reach one of those places that are such a pleasure to visit. Thanks to the ferry service from New Bedford, the Schamouchi, we have easy access without the fight over the bridges to the Cape. In about 1½ hours, after an interesting voyage, you are there on Martha's Vineyard. The photos are of Edgartown, the most beautiful of the Vineyard towns. Edgartown sits on a bluff overlooking a small pro-

tected harbor and this harbor contains some of the finest pleasure boats you will see in local waters. Because the channel between Edgartown and Chappaquidick Island is so narrow these boats sail by with-in easy camera range. A stroll along the waterfront is delightful because the water is always in view, the lighthouse stands on the point as a rounding pylon for the boats entering and leaving the har-

Mattapoissett Selectmen's Meeting

JUNE 30, 1987- by VIRGINIA ARRAL
TWO PROTEST QUESTION 5
CLAIM VOTER CONFUSION

The conversation was at times heated and accusations were freely expressed when Girard "Jerry" F. Oliva and Joao "Rod" Rodrigues met with Selectmen at the Tuesday, June 30th, meeting. The subject was Question 5 on the ballot of the June 23 Special Election. Although Mr. Rodrigues is the athletic director at Old Rochester Regional High School, he said he was speaking for himself as a resident and on behalf of the children in the district.

Mr. Oliva, an ORRH Social Studies instructor, expressed concern that the voters were confused when they voted on that particular question, especially considering voters favored the funds at the May 4th annual town meeting. Mr. Oliva felt Town Counsel Donald J. Fleming made a bad error and misled the public at the first night's meeting. Selectmen Chairman John DeCosta explained town counsel's information came from the State Department of Revenue and he informed voters that he was so informed. In response to

14,166 square foot, wooded lot in Brandt Island area near Marina and beach. \$80,000.

NEW LISTING - Between Pico Beach and Prospect Road, we offer 6.25 acres surrounded by stone walls. Possible access from both sides of this fine parcel.

this misunderstanding, Selectmen placed the question on the special election as a goodwill gesture to the school district.

Chairman DeCosta asked Mr. Oliva where were the concerned parents when the article was up for reconsideration on the second night. It did not pass and according to law the Selectmen could not specify the use of the funds in the override question. "Frankly, I was surprised

there weren't more than 900 voters at the special election." Selectmen Frank Suzan and William Hubbard expressed the same surprise. "But I do think the voters were sufficiently informed and understood the intent of the question, especially after the Presto Press and the other media explained the questions before the election," said Chairman DeCosta. He added, "We don't always get what we want."

Mr. Oliva and Selectmen asserted they did not agree with the statement made by Dr. Manuel Rosenfield, Chairman of the Old Rochester Regional District School Committee, concerning Selectmen's handling of the question. Oliva said he voiced his opinion at the school committee meeting.

Selectman Hubbard said he has always been 100 percent for the school; however, "People are not as confused as you think. People are fed up - they want better rapport between the school administration and the public. This is what I heard all the time when I was seeking election to the Board of Selectmen."

voters turned it down at the election. Oliva felt it was deception again because of the way the article was written.

Selectman Hubbard echoed an earlier statement that he thought there would be more than 900 voters. "People are not happy with the school administration on the district level. We never hear anything against the local schools because they are always up front with their requests and their reasoning. Something has to get the trust back with the school or we will have problems from now on in."

Selectman Suzan said he was against an operating budget override, as it would up the base of the future budgets. "I am pro education but where do we stop. Two top people at ORR couldn't tell me how much the raises would cost. These big raises coming right after the election will be a tough problem."

Selectman Hubbard added his opinion that he hates to see an override in an operating budget. "I don't think it will be dispersed properly. The

public should know the results. Mr. Rodrigues said, "This is confusing to me as this is public information." He added, "We all feel helpless and perplexed, and until all personalities and powers come together, the children will be shortchanged."

Selectmen Hubbard said "We all have to tighten our belts, but ORR's belt keeps expanding. We (the town) haven't been cutting the ORR budget - we always have given them what they've asked. But now they are going to have to make cuts."

Hubbard told the two dissenters of speaking to the school committee and School Superintendent Joan Walsh to see if anything could be taken out of the district budget.

The school committee members said no. As it turned out the goal posts weren't needed. People dislike the way ORR treats the people - they should be honest with them. "I know this action cost them three votes."

Suzan said what really bothers him is they (the school committee) talked about a capital equipment committee and an Advisory Board. "We don't need all these committees if everyone would work together. In the 10 or 15 meetings I've attended, most have been a waste of time. If they

all these committees and we don't have the time. The school committee has to do their homework."

Mr. Rodrigues responded to Selectman Suzan saying, "We have a lot of fixed costs. We can only prepare within our department budget. I personally don't see the whole budget. I don't know what will happen, but I feel my athletic budget will be impacted the most. If we turn all those kids loose at 2 p.m., what will happen to them in the three towns?"

Selectman Suzan responded to Mr. Rodrigues' comments saying, "The schools can't be baby sitters. I support sports and those sports parents can be very vocal."

In other business, Selectmen: MET WITH Fire Alarm Superintendent Paul M. Kelley, Jr. to discuss the concern he has with Deputy Fire Chief Walter Morgado not fulfilling his obligation to qualify as a First Responder.

Mr. Kelley told Selectmen they were notified in May that Deputy Chief Morgado had not completed the Red Cross 25-hour course. "Nothing

QUESTION: WHY SHOULD CHILDREN HAVE CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: Because growth and development can be affected by minor bumps, jars and falls.

Every year, thousands of structural health problems in students of grade and high school level go undetected even though teachers, coaches and physical education instructors watch for health irregularities which might interfere with a child's physical performance and learning ability.

Part of their jobs? Not really. It's that extra sense of dedication that makes these already over-worked public servants give children that extra attention. The "school guardian" is responsible in many cases for the detection of potential health problems and the funneling of children to proper health authorities.

What most people don't know is that most health problems are far too complex for the teacher to note. And with a busy schedule, the educator can't be expected to have the time to screen problems that are beyond his or her scope of training, no matter how conscientious the teacher may be. The result: many children have health problems that retard their ability to learn or engage in sports effectively.

Here's what you can do:

- Parents must be urged to take more responsibility for their children's health.
- Parents and teachers should be alert to such things as changes in energy level, postural changes, moodiness, listlessness or any unusual signs that signal a problem that will impede learning.
- One of the observable signs is lack of interest in school activities.
- The structural balance of the child's body should be considered. The school teacher will no doubt note the child's posture, but that does not always indicate the structural integrity of the body.
- Comprehensive chiropractic examinations, including examinations of the spine, pelvis, neck and limbs should be recommended to avoid developmental problems.
- Incorporate posture awareness programs into your class projects.
- Write for suggestions and materials.

Dr. Jean E. Peeler

Chiropractic Physician

34 Barstow St., Mattapoissett 758-3711

has been done about it by you (Selectmen) in two months. I am here to tell you I will go to the State Attorney General's office if something isn't done, and I get a signed card showing Mr. Morgado has qualified. In the meantime, I think Mr. Morgado should be suspended."

Kelley reminded Selectmen that three years ago they threatened him with suspension for a week when they

thought he was not certified for the First Responder course. He said he later discovered his certification card had a typographical error that caused confusion about his certification. Mr. Kelley added that if something happens and the town is sued, the state will come back on him.

Mr. Kelley said he preferred not to get the state involved with the problem, but "I am responsible for this class and I have to protect myself. I personally worked overtime, at no cost to the town, to see that everyone qualified - Walter Morgado chose not to complete the course," Kelley said.

The deputy chief by law has to qualify for First Responder or the town will be subject to a lawsuit. The only exception to those serving the public are office clerks -- all others have to be qualified first responders even if they are not EMTs, Kelley explained.

Fire Chief Donald Wood completed the course with no problems, Kelley noted. The Chief has talked with Morgado and "read him his rights"; however, Kelley said he understood Chief Wood wasn't going to take any

action until November. Selectmen agreed to check with Chief Wood, then get back to Kelley with a decision.

APPOINTED TWO NEW MEMBERS to the Finance Committee: Elizabeth H. Kunz, 45 Water Street, an at-large member, and Robert A. Yeaton, 3 Millbank Road, member representing the west section of town.

Selecting the two choices from four candidates were Moderator R. William Blasdale, Mattapoisett School Committee Chairman Ellen Driscoll and Selectmen Chairman John DeCosta. The other candidates were Irene M. Huggins, 26 Church Street, and Don Preissler, 17 Crooks Way.

Moderator Blasdale commented, "We are delighted with the quality of the applicants. We have here an embarrassment of excellence." The two remaining applicants' names will be kept on file for any future opening.

Mr. Yeaton worked as Director of Finance and Accounting for the Massachusetts Teachers' Association with budget preparation and other financial practices. A former

alternate member on the Mattapoisett Board of Appeals, Attorney Kunz has also dealt with other municipi-

the way the anonymous donation to help in paying for the emergency repairs of Old Rochester Regional High School roof over the gym area was used.

Selectmen voted to pay ORR \$8,000 (along with the \$13,000 donation) to pay for that section of the roof covering the locker room project. The vote was essentially a paper exchange, considering the return from ORR of \$8,000 the town of Mattapoisett had previously paid - then returned to the town by the school district - now paid again.

Mr. Clark asked why the town couldn't withhold the \$20,000 and put it towards the total share the town owes for the entire roof project. Selectman Suzan said "we could not do that as we are morally committed to the locker room project." The \$20,990 figure represents that portion of the locker room repair from the overall total roof cost.

Selectman Hubbard commented, "This

is another example of misunderstanding between the ORR school administration and the public. Why, when the district had the money to do the immediate emergency repairs to the leaking roof it was not done. Instead, the school administration went out to bid on the entire roof." Admittedly, the donor was not too happy at first when the roof was not repaired right away. Chairman DeCosta said the donor is satisfied now with the arrangements. The town's \$8,000 was just sitting there without getting the leaking section repaired. He noted the school administration explained the situation noting it was more economical to get the entire roof's architect and engineering fees done all at the same time.

DENIED the Mattapoisett Yacht Club permission to hold a clambake on August 22nd on either the town beach at the foot of Reservation Road or Ned's Point for the reason it has not been a policy of the board to permit large private events on public property.

NOTED THE SUM of \$3,350 will be

taken from the Reserve Fund to pay for testing the town-owned gasoline tanks. The Selectmen requested the Fire Chief be present at all testings. The Town Hall emergency generator

suspend him, Fire Chief Donald Wood met with Selectmen last week and informed them, "Yes, I have the Deputy Chief's certificate, dated May 28."

Selectman William Hubbard asked the Chief if he was satisfied that Morgado is qualified. The Chief said yes. Mr. Kelley asked to see the signed certificate and the Chief refused saying, "I will show it to the Selectmen if they want to see it and that's all." "This is ridiculous," said Selectman William Hubbard. "You (Kelley) should have checked with Chief Wood first. I want to see you notify your superior before you come in again." Kelley responded saying, "I represent the Red Cross and First Responder law, and I just want to close out the records and want to know where the card came from."

Chief Wood opened the meeting, saying, "There are two things that disturb me. The first was the article in the newspaper. This man (referring to Kelley) came in here with Fire Department business, and

I have to hear about it at a local restaurant. When I was first appointed chief, I requested that either the firefighter come to see me first or that I be present when the employee comes to the Selectmen on a fire department matter." He added this has happened three times.

Selectman Hubbard agreed that the Chief should know and if the employee has a superior he should go to him first even if they don't agree.

Mr. Kelley responded saying he had talked with Chief Wood on two or three occasions about this matter. "I came to the Board last week as an instructor and you didn't follow through. I did say good things about the chief passing the course." Chief Wood countered saying, "We hired you as an instructor. When you finished the job as instructor, then it is my job." Wood continued, "What Walter Morgado told you is because he argued with you?" "Correct", said Kelley. The chief said, "If some other class you hold in another town has a person who didn't complete the course would you go to that Board

and tell them to suspend that person?" Kelley said "I wouldn't have flunked Morgado except he argued

with me."

Selectman Frank Suzan said he understood Mr. Kelley came in as a state instructor. "Now Wood tells us Kelley was hired by the fire department."

In conclusion, Selectmen voted, "From now on any town employee that has a department head, he/she must clear with that department head first before coming to the Selectmen, even if the department head objects. This will prove the department head knows of its intent."

On another matter, Fire Chief

Wood informed Selectmen the testing of the oil tanks will take longer than anticipated as the tanks have to be topped off to be tested. Only two have been tested to date. One problem is the tank at ORR High School which is filled by a Dorchester firm and they won't come down for 1,000 gallons to top it off. Also, the highway department tanks are not topped off.

In other business, Selectmen:

MET WITH Water/Sewer Superintendent William Nicholson to hear his presentation of a SRPEDD (Southeastern Regional Planning and Economic Development District) proposal to apply for a Strategic Planning Grant for the Mattapoisett River Water Shed.

Its purpose it to develop our natural resources and to protect the water supply. He explained the river water shed consists of 24 square miles and encompasses Mattapoisett, Rochester and Acushnet.

Following his explanation, Select-

men gave their approval for Mattapoisett's share of \$500. of the planning money and agreed to support the proposal. Nicholson said the Planning Board gave its unanimous approval of the proposal. The \$500. will be taken from the Water Commissioners' budget. The state executive office of Communities and Development (EOC) would fund \$25,000; SRPEDD, \$2,500 and \$500. from each of the towns taking water from the Mattapoisett River Valley: Marion, Fairhaven, Rochester, Acushnet and Mattapoisett.

Selectman Suzan asked if the plan will interfere with Tighe and Bond's engineering study or will it be redundant. Nicholson said it will interface with the engineering study. Selectman Hubbard said "we should expand the water and sewer each year - it will never get any cheaper than today."

The plan includes: 1. To cover the area within the Mattapoisett River Valley; 2. The proposed activity- to inventory existing resources, and existing land uses, such as wetlands, soils, and re-

charge area of municipal wells; 3. Project land uses based upon population projections, residential development and non-residential development; 4. The goal is to develop a balance between ground water quality and development of land. The final plan will include proposed zoning by-laws, proposed town by-laws and regulations, recommendations of which lands should be aquafied for protection of the water supply, to assist the town in funding through the DEM (Department Environmental Management) open space

Selectmen, Planning Board, Water and Sewer Department, Board of Health, Conservation Commission and the Growth Management Study Committee. Selectmen thanked Nicholson for his interest in the town and working for the town's best interest.

MET WITH Police Chief James F. Moran, Officer Janet Kennedy and Dog Officers George and Linda Caton to review the method of contacting either the police department or the dog officers in an emergency.

Following a recommendation from the Police Chief, Selectmen granted permission for Mr. and Mrs. Caton to purchase a tape recorder for one telephone at their home. From now on any resident needing the dog officer should first call 758-4345, with the police department as a last resort.

Chief Moran and Officer Kennedy said they were not complaining about the job the Catons were doing; however there has been difficulty in getting calls answered. He cited an example of receiving a call at 9:30 a.m., when Linda Caton was contacted she refused to take a dog

in her car - the dog officer finally came at 4 p.m. The Chief said, "We've transported dogs and gotten police cars messed up. These emergency cruisers are not for dogs, because when we might have to take an ill person, we can't have these cars soiled."

Selectmen Chairman John DeCosta said the Catons should be available 24 hours a day, in response to the Chief's relating how Officer Kenneth Paulson on night duty received 10 to 15 complaints of dogs loose. Nothing was done after notifying the dog officers. Mr. Caton said he has lately been working out of town, but that Mrs. Caton is home 99 percent of the time.

Mr. Caton said they previously had a station wagon with a cage in the back and now have a new car that cannot be hooked up with a CB radio.

Chairman DeCosta said one of the responsibilities of the Catons is to transport dogs. Mr. Caton asked Selectmen to consider purchasing a used van for use of the dog officer. The dog officer's bud-

get is \$7,801 for fiscal 1988 and covers \$3,000 to the New Bedford

effective immediately. Bradford noted he did not vote for the revision.

Rep. Bradford also said this change takes away the citizens' right to file for 2½ overrides and leaves the responsibility on the shoulders of the Boards of Selectmen. "You will get a lot of pressure," he said. Selectman Hubbard responded, "You'd better believe it."

In referring to Chapter 91 Waterways Bill, Rep. Bradford said there will still be some rewriting done. Coastal legislators want one more shot for towns to be heard, which he favors.

APPROVED THE REQUEST of Russell (Chippy) Chase to place a stop sign on Deerfield Road traveling south onto Route 6 (at the new Deerfield Crossing development). A letter will be sent to the State Highway Department requesting a survey and approval. It was noted the stop sign was ordered by the Board of Appeals following its hearing on the development.

employees for fiscal 1988 has increased by at least \$45,230 and will probably be more.

RECEIVED TWO LETTERS concerning the special election overrides regarding Old Rochester Regional High School. One was a letter to the Selectmen from Susan J. Zartman, guidance counselor at the high school, the second, a copy of a letter from Elaine Sylvia, interested parent and citizen, addressed to the ORR District School Committee. Both letters cited a need for better communication between the school committee/administration and the public, and with the town governments of the three towns.

Marion Historical Commission HISTORICAL DISTRICT DISCUSSION

Ann K. Surprenant of the Massachusetts State Historical Commission will discuss the pros and cons of establishing an historical district in Marion Village, on Thursday, July 16th, at 7:30 p.m. at the Sippican School Cafeteria.

Results of the Town Survey, recently completed by the League of Women Voters, showed that hundreds of respondents were in favor of going forward with historical designations within the Town.

The Marion Historical Commission has invited Ms. Surprenant to Marion so all interested persons can learn of the process required to list a property in the Historical Registry. Because each property requires extensive paper work, the local Commission hopes to start with the village block east on lower Main Street, south on Water Street, west on lower South Street, north on Front Street to finish at Main Street. As this area is completed, hopefully, we can continue to expand the designation to many other individual properties.

We look forward to completing this project in a timely manner but we can only do it with the encouragement and cooperation of the townspeople.

Mattapoisett Council on Aging

On July 23rd the seniors' van will make a trip to Newport, R.I., leaving St. Anthony's Church parking lot at 10 a.m., visiting one of the mansions and then having lunch in town.

This year's plate, pressed by Pairpoint Glass, features the Gazebo in Shipyard Park. Cost of the plate is \$8. All proceeds benefit the MMR Scholarship Fund. Cup plates are also available at Seaport Pharmacy (Mattapoisett), Sitting Duck (Marion) and Country Charm (Rochester).

The MMR T-shirt will also be available at Harbor Days. The shirt, designed by Linda Tilden, features the mascots for the area high schools serving tri-town area students. Cost of the shirt is \$7.

This year MMR awarded scholarships to 26 graduating seniors, two continuing education students, and one re-entry student.

Mattapoisett Land Trust

Land conservation, the preservation of open "green spaces", and the encouragement of controlled development are major goals of the Mattapoisett Land Trust. We are a non-profit organization founded in 1974, and since that time we have received gifts of over 135 acres of conservation land in Mattapoisett and Rochester.

Mattapoisett's very special rural character and its many natural resources are being threatened by rapid growth and development. We do not deny the need and benefits of new housing and growth in our

The Christmas Balls will be dated and a yearly edition will be issued, each one with a "special" memory of Mattapoisett imprinted. These are a limited edition, so be sure to get yours early.

Wharf Square Dancing

Dick Leger will be the caller at this Saturday's Square Dance at the Mattapoisett Town Wharf. Tom Daley will cue the rounds. Sponsors of this week's dance is the Lions' Club.

In case of rain the dance will be held at the Congregational Church Hall.

Whale of a Fair

A "Whale of a Fair" and luncheon will be held at the First Congregational Church of Marion on Saturday, July 25th, on the church grounds at the corner of Front and Main Streets. The fair will be held rain or shine from 10 a.m. to 1:30 p.m.

The Chapel Cafe opens at 11:30 a.m. in the Community Center serving lobster rolls, assorted sandwiches, cold drinks and dessert squares. On the lighter side, hot dogs, soda and fresh fruit cups will be available outside.

For your convenience prepared foods from "Take it Easy" include frozen casseroles of scallops, chicken and vegetarian lasagna, hors d'oeuvres of seafood nippies, mushroom turnovers, sweet and sour meatballs and cumin cheese wafers, baked beans, gourmet rice mixes, salad dressings, sauces, jams and jellies. Cheese, homemade candy, breads, pies, cakes

Presto Friends:

Some do's and don'ts
about
gold mountings ...

When considering a new 14kt gold mounting, there are many factors you as the consumer must look at in order to insure long life, security of the stones, and style. First of all, is the mounting die struck or a casting? Castings are not as strong as die struck mountings, but are necessary to use in order to achieve a certain style or in order to accommodate a certain quality and size of stones. Also the cost factor is lower for a casting. Next consideration is the type of prongs or head to hold the stone. White gold has 3 (three) times the strength of yellow and 3 (three) times the wearability because the 10 parts of base metal is nickel in white gold, whereas copper, which is softer than nickel, is used as the base in yellow gold. The other advantage to white gold prongs or heads is that they will not throw yellow into a diamond.

The better buy in the long run, although a little more expensive, is a diestruick mounting with a yellow shank and undercarriage with 14kt white gold heads or prongs.

At SMITH & NEIL JEWELERS you can get the yellow gold look with the security and wearability of white gold heads or prongs.

Mattapoisett Growth Management

The Growth Management Study Committee has formed SUB-COMMITTEES to study various areas of concern to the town. These committees will determine what we have and what we want and need. They will also develop and evaluate potential solutions and develop specific proposals.

Following are a list of these committees and a contact person. If you are interested in a particular area of our town's development, please contact the appropriate member. The next meeting of GMSC, at which these subcommittees will be addressed, will be held THURSDAY, July 23rd, at 7:30 p.m. at Village Court meeting room.

Letters to the Editor

OPEN LETTER TO TRI-TOWN AREA RESIDENTS

The following letter was sent to the Old Rochester Regional School Committee. It was not discussed at the meeting; however, similar concerns were expressed by those residents who did attend the meeting. Therefore, I felt the need for a public reaction (either positive or negative). We must be concerned about what is happening to our towns' school systems.

AT THE ROPEWALK

Recently in the press a number of articles have appeared concerning your committee's attention to and apparent confusion of the recent vote in Mattapoisett. May I presume to take a few minutes of your time and try to relate to you those feelings which I have had expressed to me by a number of people in Mattapoisett.

MOST people agree that Old Rochester has a fine reputation as to the quality education which our children are receiving. Due to recent years' positive press, the community seems to feel that scholastical-

ly, athletically and extra curricular activity-wise the school is doing a FINE job with our young people.

However, the problem seems to lie with the ongoing feud between the administration, your committee and at one time or another various towns' governing boards. Press reports seem to indicate that your committee snubs all suggestions and advances of help from the local communities' boards. Now, Dr. Rosenfield, you and I know this is not always the case, in fact, may never have been the case. BUT you should also know that the everyday-taxpayer relies on what he/she hears and reads in the local press. It is unrealistic to think that the everyday-taxpayer is going to take time to visit your committee with complaints or concerns. Again, both you and I know that people just DO NOT BECOME INVOLVED even when a pressing problem arises. FACE IT, at times we could not get our young people's VERY OWN parents to give

of their time to become involved with their own youngster's lives. If that cannot be accomplished it is extremely safe to say that the public is not going to waltz into your meetings with complaints about the ways in which our school or your committee is run.

Another BIG problem is the fact that ORRSC seems to have been crying wolf over the past 5-6 years. I would like a dollar for every time I have heard one of your committee members or a school faculty member say (and I quote), "Well, if these monies are cut THERE GOES OUR ATHLETIC/MUSIC PROGRAM".... It may, at one point, have been true, BUT IN FACT YOU HAVE KEPT THAT FROM HAPPENING. That could be construed as "kudos" to you for preventing it..unfortunately, it comes off as a game that you have played with the public. It's as if you know that the public outcry will be from those parents most involved in sports, music, etc. Then, even if the monies are cut--those programs go on. Again, good for the kids, but translated by the general taxpayer as "they must have had monies hidden somewhere, 'cause the budget was cut and NONE of their

threats had come true."

I guess my suggestions to you would be:

Face reality; call a spade a spade and bring your problems and concerns down to the average taxpayers' level.

Public forums (press releases, mailing, public meetings-such as candidates' nights) would be the first step in educating the public towards your goals...but PLEASE do it on a level in which the voter can understand and above all be completely honest with us.

And, most importantly, look at your committee's attitude toward the public (those days of fiscal autonomy are gone), act like it...

Bow to the public's wishes, change the way your committee "comes off", be receptive and if need be act like a public SERVANT because, like it or not, when the public elects you that's what they think you are.

Don't try to scare with horror stories, and for goodness sakes do NOT let your fiscal advisory go to a public forum (i.e. Mattapoisett Town Meeting) with a list of emergency repairs that include such things as goal posts and a football sign without a REALLY GOOD REASONABLE explanation why those items were included. That alone knocked your credibility way down.

Take a note from the Mattapoisett School Committee's book. They are forthright, they warn the public in advance of those repairs and major expenses which will be coming up...They also occasionally turn back funds to the town at the end of the fiscal year (publicizing it well when they do) and they are always prepared to explain - in laymen's terms - with very little confusion EXACTLY how their budget

monies will be used. The voters respect and admire their tactics and respond accordingly.

I hope this letter will be taken in the manner in which it was intended. That is, I wish the very BEST for your committee and the schools it represents. It is obvious that you and the school will not go on running in the way that it should, if present conditions continue to exist. IT'S TIME FOR A CHANGE. Please for your sake and the schools', try to find a way in which your committee and administration can work harmoniously with the towns' governments...OUR CHILDREN'S FUTURES ARE AT STAKE.

Thank You.

required in order to place the question on a special election ballot. Attempts to redress the issue during the second night's meeting were not completely successful. Finally, our Selectmen agreed that the only fair way to resolve this issue was to place it before the general electorate and, by their authority, this was done.

This brings us to the mystery question on last week's ballot. Question #5 asked voters for approval to authorize funds for which no purpose was stated. Was Selectman DeCosta serious when he dismissed the omission by stating that "Everyone knew what the question was all about"?

That might be taking a lot for granted. A 25% voter turnout might suggest a majority of our residents weren't even aware of the election. At best, voters were once again provided with inadequate information. At worst, there existed the appearance of a deliberate attempt to derail the school override question. Justice may be blind but voters shouldn't continually be expected to cast a vote "in the dark".

This meeting has been set for Thursday, July 16th, at 7:30 p.m. at the high school. We hope that many parents and citizens will attend to provide the committee with direction.

The next regular meeting will be on Thursday, July 23rd, at 7:30 p.m. at the high school by which time we should know the decision of the Rochester voters. The public is invited and welcome.

M.C. Rosenfield
 Chairman
 ORR School Committee

TO THE EDITOR

It seems many of us have heard of P.A.I.N.T. ORR (People Allied in a New Tack at ORR), and the enthusiasm is mounting. The philosophy of the group is to show our children we care about their education by forming a tri-town community effort to paint needed areas of the high school. The critical areas are: the gymnasium, the five sets of restrooms, the hallway trim and doors, the auditorium foyer, and the 750 twenty-six year old lockers.

Now what does that mean to each one of us? Two weekends have been

ALBUMS... MATS...

Any good photographer knows that taking and developing the picture is only the beginning. The SHUTTERBUG is proud to announce the addition of a full line of beautiful PIONEER albums.... the perfect way to preserve and display your precious memories. We also offer hundreds of mats. ST JUDE'S NOVENA
May the Sacred Heart of Jesus be adored, glorified, loved and preserved through the world now and forever. Sacred heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us. Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail. Publication must be promised. Thank you St. Jude for answering my prayers N.L.

Taber Library is to inspire and further interest in good reading as well as to add to the collection of new books in the library.

There is a \$3.00 charge for admission and refreshments will be served following the program. There are facilities for the handicapped. For further information please call 748-1252 or 748-0040.

Elizabeth Taber Library

CHILDREN'S ACTIVITIES

Pre-school Story Hour for ages 3-5 will not take place this Wednesday.

There will be a Bedtime Story Time on Thursday, July 16th, at 7:00 p.m. at the Elizabeth Taber Library for ages 2-4. Jammies and teddy bears are welcome.

The film this week will be "Be a Perfect Person in Just Three Days" on Thursday, July 16th, at 2:00 p.m. at the Elizabeth Taber Library, Spring Street, Marion. The film lasts about 30 minutes, and free lemonade will be served.

case of cancellation and/or emergency.

We have a number of activities such as croquet, racquet ball, table games and arts & crafts to keep everyone occupied. Other activities will include field trips to the Zeiterion Theatre and the town beach.

There is no registration or fees and the program is sponsored by the Town of Mattapoissett. Announcements will be forthcoming on future events and activities.

Herb Walk

A guided herb walk with Judy & Michael Marceliot is scheduled at Seven Arrows Farm, Attleboro, MA. on Saturday, July 18th, from 9 to 12 noon. A "wild" lunch will be prepared from many of the "delicacies" gathered. Rediscover the uses of many plants we now call weeds. The tour is \$10. per person. For more details and car pooling, call Kathy Kasmer, 947-5615.

The herb walk is sponsored by FRIENDS OF WHOLISM, a networking and support group for people interested in developing human potential. Call 993-1151 for more information.

Music in The Park

For the third successive summer, Music in the Park, a series of Tuesday evening concerts, are being presented in Cushman Park, Fairhaven, under the auspices of the Fairhaven Improvement Association. Director is Doreen Nelsen, music teacher at Hastings Middle School, Fairhaven, who is also conductor of the Fairhaven Pops Orchestra.

Concerts are at 7 p.m. They began July 7th and will end August 18th. Mrs. Nelsen announced that new recruits are welcomed by the Fairhaven Pops Orchestra, which is comprised largely of Fairhaven High alumni, current students and area musicians. Rehearsals are at 7 p.m. every Monday at Hastings Middle School.

Funding for the summer concert series is provided by the Fairhaven Improvement Association, the American Federation of Musicians, Local

Rotch-Jones-Duff House

"MUSIC IN THE GARDEN" SERIES

On Thursday, July 16th, at 6:30
p.m. the Dartmouth Community Band
will perform in the garden at the
Rotch-Jones-Duff House & Garden Mu-
seum in New Bedford. The gates open
at 6:00 p.m. and seating is available.
The public is invited to bring picnic
suppers, lawn chairs and blankets to
make it an enjoyable and relaxing eve-
ning in the garden. There is no ad-
mission charge but donations are wel-
come. The Museum is located at 396
County Street, New Bedford. Onstreet
parking is readily available in the
area.

The band, under the direction of
Alan Novick, will play a variety of
pieces. Patriotic songs will be in-
terspersed with John Philip Sousa
marches and old favorites such as
"Give My Regards to Broadway" and
"Rock Around the Clock". The Dart-

mouth Community Band was formed in 1976 and performs for many local organizations as well as in outdoor concerts in the summer. Their repertoire ranges from pop and show tunes to marches and polkas. They welcome audience participation.

The Bridge Street Cafe and Massachusetts Council on Arts & Humanities are the sponsors for this community evening. The Rotch-Jones-Duff House & Garden Museum is a private, non-profit organization. Please call 997-1401 for further information.

YMCA

CPR

Carol Morse, M.S. Fitness Director at the Greater New Bedford YMCA, announces a cooperative effort with Emergency Training Concepts in presenting Cardio-Pulmonary Resuscitation (CPR). CPR certification and re-certification training will be held at the YMCA on July 18th from 9:00 to 3:30. Registration deadline is July 17th. Minimum of 7, maximum of 21 participants, instructors in the program are professional nurses with over 15 years of experience in critical care. Successful completion of the program results in certification by the American Heart Association. For more information call the Greater New Bedford YMCA at 997-0734.

Women's Golf

Eighty members of the Little Harbor WGA participated in a four-ball, best ball tournament on Wednesday, July 1st. The team of Faye Miles, Lee Smith, Marie Hamblin and Patricia O'Donnell took first place. Second place was won by Sylvia Fish, Gert Gilpin, Lee Savas, Muriel Cook. Two teams tied for third: Connie Seeley, June Bruce, Clara Ferrari, Ginnie Moore; and Mary Galligan, Ruth Black, Gladys Sundling. Bern Atwood was closest to the pin on hole number three, and Dot Bush was closest on eleven.

The tournament on July 8th was individual by division play. In Division I, Donna Jones came in with Low Net, and Sue Carmichael and Nancy Duggan tied for Low Gross. In Division II, Low Net was won by Priscilla Becker, and Low Gross by Connie Seeley. Low Net in Division III was won by Gladys Sundling, and Low Gross by Peg Godfrey. Dot Bush was closest to the pin on hole number one, and Donna Jones was closest on fifteen. Winners of the birdie pool were Lucille Jarvis, Sue Carmichael, Donna Jones, Wendy Forbes, Gert Gilpin, and Nancy Duggan.
